| Champion Paphiopedilum | \$50 | Geelong Orchid & Indoor Plant |
| Champion Australian Native | \$50 | The Hanging Garden |
| Champion Any Other (Excl.Cym.Lae.Paph.Aust Native) | \$50 | David Gill Greenhouses |
| Champion Seedling Flowering First Time | \$50 | Flora Laboratories |

NOTES

Where an orchid or Display goes on to become Grand Champion, Reserve Champion, or the Gerald McCraith Memorial Champion, only the higher prize money will be paid.

Prizes for Champions may, at the option of the exhibitor, be in the form of product (subject to availability), based on the value of the prize as set out above. Prizes for individual classes may also, at the option of the exhibitor, be in the form of product (subject to availability), based on \$5 for first, \$3 for second.

Prizes will be allocated starting Saturday noon so that they are available for pickup later that afternoon. If you believe that any result is incorrect, Barry or Marilyn Larkin must be informed before 12 noon on Saturday, failing which, the result cannot be corrected.

Terms of Entry for the Melbourne Orchid Spectacular 2017

Please read carefully.

1. Set up times are strictly: Wed. 9:00am – 4:30pm
2. Invited orchid societies and invited commercial traders are eligible to enter. Each such society or commercial trader is entitled to set up only one display which may, but need not, be a theme display. No stand backdrop may be taller than 1.8m unless the Show Marshal allows otherwise. Backdrops must be free standing. Individuals may exhibit on more than one display. Individuals may exhibit in conjunction with a commercial trader's display.
3. All exhibits must have been owned and grown by the exhibitor for at least six months.
4. Each person entering a plant **must** register his or her name to receive an exhibitor **NUMBER** and exhibitor **PASS**. Early registration may be arranged by calling Meryl Early on **03 9786 1938**. All plants exhibited for judging must be clearly labeled with the correct name of the plant, accurately spelled and the exhibitor number on the **bottom left hand corner** of the label. Labels must enable Judges to distinguish between similar plants exhibited by an exhibitor. All labels must be clearly visible for judging.
5. For each **Notifiable** class, a 'Notifiable Sheet' must be provided by the exhibitor to the Registration Desk. The appropriate **coloured spot/s**, available at the Registration Desk, must be placed on the **lower right hand corner of the label**.

**You must return Notifiable Sheets to the Registration Desk by
no later than 4.30 pm WEDNESDAY**

6. **Mistakes in labeling of plants may result in the plant not being judged.** If you have any problems or questions in relation to labeling, please ask for assistance at the Registration Desk before 4:30pm on Wednesday.
7. No person is permitted to handle or remove any plant or flower in a display before show close on Sunday without the permission of the Show Marshal.
8. In all matters related to judging the Judges' decision is final. First and Second places will be awarded in all individual classes, except in those in which the Judges consider the exhibit(s) do not reach the necessary standard.
9. Where a sufficient number of quality plants is presented, and an appropriate class is not listed in the Schedule, an extra class may be created by the Judges with the Show Marshal's approval.
10. The Judging Registrar will be an Orchid Societies Council of Victoria Accredited Judge and the show will be judged according to the OSCOV judging rules. Any other accredited Australian or International Judge is welcome to request in advance to be part of the Judging Panel, and the decision of the Judging Registrar on any such matter is final.
11. The Show Marshal or Judging Registrar may remove from the hall any plant suspected of being diseased or otherwise unhealthy.
12. The award of a First prize in a Non-Commercial or Commercial class to a Junior grower will not affect his or her status at the show as a Junior. Where an appropriate class is not available in the Junior Sections, (e.g., Seedling Flowering for the First Time), then a Junior may nominate into a Non-Commercial or Commercial class without prejudice to his or her status at the show as a Junior.
13. OSCOV and the Judges will take care with exhibitors' plants and displays, but none of them accepts any responsibility for any loss, theft, damage or deterioration to any flower, plant or theme materials.
14. By entering plants in the show exhibitors agree to be bound by these Terms of Entry and all discretionary decisions made by the Judges, Show Marshal or Show Co-ordinators.
15. OSCOV reserves the right to photograph any exhibit, exhibitor or display in the show and to reproduce and publish these photographs at any time and in any manner.
16. Society displays may contain plants from Commercial Section growers, provided these plants are appropriately identified as such and that the display has a greater proportion of plants from Non-Commercial exhibitors. Coloured dots to identify Commercial Section growers' plants are available from the Registration Desk.
17. The Show Marshal has sole responsibility to determine the classification of an exhibitor as Commercial or Non-commercial, but he or she may consult with the exhibitor before making that determination.

18. The Show Marshal may finally resolve any dispute, disagreement or other issue arising at any time in relation to the show. All persons affected are bound by any such resolution.
19. The Show Marshal may delegate any power or discretion given to him or her under these Terms of Entry.
20. **Please take note of changes to Nominated classes. This is the exhibitors responsibility**

In particular, Terete Dendrobiums both species and hybrids.

Individual Classes (Non-Commercial)

Cymbidium

Cymbidium – Large Flower - Hybrid

| | |
|------------|---|
| Class 01 | Predominantly Green |
| Class 02 | Predominantly Yellow |
| Class 03 | Predominantly Brown |
| Class 04 | Predominantly Red |
| Class 05 | Predominantly Pink |
| Class 06 | Predominantly White |
| Class 07 | Pastel or Blush |
| Class 08 | Pure Colour Type |
| Class 09 | Any other single Colour |
| Class 10 | Any Combination of Colours or Overlaid Colour |
| Class 11 | Specimen (min. 4 inflorescences) |
| N Class 12 | Seedling Flowering for the First Time |

Cymbidium – Medium Flower - Hybrid

| | |
|------------|---|
| Class 13 | Predominantly Green |
| Class 14 | Predominantly Yellow |
| Class 15 | Predominantly Brown |
| Class 16 | Predominantly Red |
| Class 17 | Predominantly Pink |
| Class 18 | Predominantly White |
| Class 19 | Pastel or Blush |
| Class 20 | Pure Colour Type |
| Class 21 | Any other Single Colour |
| Class 22 | Any Combination of Colours or Overlaid Colour |
| Class 23 | Specimen (min. 5 inflorescences) |
| N Class 24 | Seedling Flowering for the First Time |

Cymbidium – Small Flower - Hybrid

| | |
|------------|---|
| Class 25 | Predominantly Green |
| Class 26 | Predominantly Yellow |
| Class 27 | Predominantly Brown |
| Class 28 | Predominantly Red |
| Class 29 | Predominantly Pink |
| Class 30 | Predominantly White |
| Class 31 | Pastel or Blush |
| Class 32 | Pure Colour Type |
| Class 33 | Any other Single Colour |
| Class 34 | Any Combination of Colours or Overlaid Colour |
| Class 35 | Specimen (min. 6 inflorescences) |
| N Class 36 | Seedling Flowering for the First Time |

Paphiopedilum

- Class 37 Exhibition Type - Predominantly Red – Hybrid
- Class 38 Exhibition Type - Predominantly Spotted – Hybrid
- Class 39 Exhibition Type - Any other Single Colour or Combination of Colours – Hybrid
- Class 40 Maudiae Type - Hybrid
- Class 41 Any Other Type – Single-flowered - Hybrid
- Class 42 Any Other Type – Multi-flowered - Hybrid
- Class 43 Specimen - minimum 5 flower stems - Species or Hybrid
- N Class 44 Seedling Flowering for the First Time - Species or Hybrid

Laeliinae Alliance

Laeliinae Alliance – Large Exhibition Hybrid (130mm +)

- Class 45 Predominantly Mauve/Purple/Pink
- Class 46 Predominantly White
- Class 47 Any other Single Colour or Combination of Colours

Laeliinae Alliance – Intermediate Exhibition Hybrid (> 70mm and < 130mm)

- Class 48 Predominantly Yellow/Orange/Red/Brown
- Class 49 Predominantly Mauve/Purple/Pink
- Class 50 Any other Single Colour or Combination of Colours

Laeliinae Alliance – Miniature Exhibition Hybrid (up to 70mm)

- Class 51 Predominantly Mauve/Purple/Pink
- Class 52 Any other Single Colour or Combination of Colours

Laeliinae Alliance – Intermediate Cluster Hybrid (70mm +)

- Class 53 Any Single Colour or Combination of Colours

Laeliinae Alliance – Miniature Cluster Hybrid (<70mm)

- Class 54 Any Single Colour or Combination of Colours

Laeliinae Alliance – Novelty Hybrid

- Class 55 Any Single Colour or Combination of Colours

Laeliinae Alliance – Non Classic Shaped Hybrid (other than Cluster or Novelty)

- Class 56 Any Single Colour or Combination of Colours

Laeliinae Alliance – Seedling

- N Class 57 Seedling Flowering for the First Time

Vandaceous Alliance (other than Phalaenopsis)

- Class 58 Any Single Colour or Combination of Colours - Large flowered (60 mm + across)
- Class 59 Any Single Colour or Combination of Colours - Small flowered (<60 mm across)

Oncidiinae Alliance

- Class 60 Miltoniopsis - Any Single Colour or Combination of Colours
- Class 61 Gomesa Type - Any Single Colour or Combination of Colours

- Class 62 Brassia Type - Any Single Colour or Combination of Colours
- Class 63 Exhibition Type - Any Single Colour or Combination of Colours
- Class 64 Any Other Type – Large Flowered
- Class 65 Any Other Type – Intermediate Flowered
- Class 66 Any Other Type - Miniature Flowered
- N Class 67 Seedling Flowering for the First Time - Species or Hybrid

Lycaste Alliance - Hybrid

- Class 68 Any Single Colour or Combination of Colours

Phalaenopsis - Hybrid

- Class 69 *Phal. amabilis* Type - Predominantly White
- Class 70 *Phal. amabilis* Type – Predominantly Pink
- Class 71 *Phal. amabilis* Type – Predominantly Yellow or Orange
- Class 72 *Phal. amabilis* Type - Any other Single Colour or Combination of Colours
- Class 73 *Phal.* Other than *amabilis* type

Dendrobium - Hybrid

- Class 74 Softcane Type - Any Single Colour or Combination of Colours
- N Class 75 Other - Any Single Colour or Combination of Colours

Zygopetalum Alliance - Hybrid

- Class 76 Any Single Colour or Combination of Colours

Masdevallia - Hybrid

- Class 77 Predominantly Pink
- Class 78 Predominantly Yellow/Orange
- Class 79 Predominantly Red/Brown
- Class 80 Predominantly Patterned (Spotted/Striped/Other Pattern)
- Class 81 Any other Single Colour or Combination of Colours
- N Class 82 Seedling flowering for the First Time - Species or Hybrid

Australian Native Hybrid

- Class 83 Dendrobium - Predominantly Pink/Red
- Class 84 Dendrobium - Predominantly White
- Class 85 Dendrobium - Predominantly Yellow
- Class 86 Dendrobium - Any Other Single Colour or Combination of Colours
- N Class 87 Dendrobium – Terete Type
- Class 88 Sarcochilus
- Class 89 Other Epiphyte
- Class 90 Terrestrial
- Class 91 Specimen

Australian Native Species

- N Class 92 Dendrobium (Terete Type)
- Class 93 Dendrobium (Other than Terete Type)
- Class 94 Sarcochilus
- Class 95 Other Epiphyte
- Class 96 Terrestrial
- Class 97 Specimen

Australian Native Species/Hybrid Seedling

N Class 98 Seedling flowering for the First time

Species - Other

- Class 99 Cymbidium (any size)
- Class100 Paphiopedilum - *insigne*
- Class101 Paphiopedilum - other
- Class102 Laeliinae Alliance
- Class103 Oncidiinae Alliance
- N Class104 Dendrobium (Excluding Aust. Natives)
- Class105 Zygopetalum Alliance
- Class106 Masdevallia
- Class107 Pleurothallidinae (other than Masdevallia)
- Class108 Dendrochilum
- Class109 Coelogyne
- Class110 From the Americas - (Not listed above)
- Class111 From Asia - (Not listed above)
- N Class112 Other - (Not listed above)
- N Class113 Species Miniature Growing and Flowering Specimen
- N Class114 Species Seedling Flowering for the First Time

Other

- N Class115 Any Seedling Flowering for the First Time (Other than those listed above)
- N Class116 Any other Hybrid - Not listed above
- N Class117 Hybrid Miniature Growing and Flowering Specimen
- Class118 Any other Specimen – Not listed above
- N Class119 Group of Three Different Genera - Species and/or Hybrid

Individual Classes (Commercial)

Cymbidium

Cymbidium – Large Flower - Hybrid

- Class 120 Predominantly Green
- Class 121 Predominantly Yellow
- Class 122 Predominantly Brown
- Class 123 Predominantly Red
- Class 124 Predominantly Pink
- Class 125 Predominantly White
- Class 126 Pastel or Blush
- Class 127 Pure Colour Type
- Class 128 Any other single Colour
- Class 129 Any Combination of Colours or Overlaid Colour
- Class 130 Specimen (min. 4 inflorescences)
- N Class 131 Seedling Flowering for the First Time

Cymbidium – Medium Flower - Hybrid

- Class 132 Predominantly Green

- Class 133 Predominantly Yellow
- Class 134 Predominantly Brown
- Class 135 Predominantly Red
- Class 136 Predominantly Pink
- Class 137 Predominantly White
- Class 138 Pastel or Blush
- Class 139 Pure Colour Type
- Class 140 Any other single Colour
- Class 141 Any Combination of Colours or Overlaid Colour
- Class 142 Specimen (min. 5 inflorescences)
- N Class 143 Seedling Flowering for the First Time

Cymbidium – Small Flower - Hybrid

- Class 144 Predominantly Green
- Class 145 Predominantly Yellow
- Class 146 Predominantly Brown
- Class 147 Predominantly Red
- Class 148 Predominantly Pink
- Class 149 Predominantly White, or Pastel or Blush
- Class 150 Pure Colour Type
- Class 151 Any other Single Colour
- Class 152 Any Combination of Colours or Overlaid Colour
- Class 153 Specimen (min. 6 inflorescences)
- N Class 154 Seedling Flowering for the First Time

Paphiopedilum

- Class 155 Exhibition Type - Hybrid
- Class 156 Maudiae Type - Hybrid
- Class 157 Any Other Type – Single-flowered or Multi-flowered - Hybrid
- N Class 158 Seedling Flowering for the First Time - Species or Hybrid

Laeliinae Alliance

Laeliinae Alliance – Large Exhibition Hybrid (130mm +)

- Class 159 Predominantly Mauve/Purple/Pink
- Class 160 Any other Single Colour or Combination of Colours

Laeliinae Alliance – Intermediate Exhibition Hybrid (> 70mm and < 130mm)

- Class 161 Predominantly Yellow/Orange/Red/Brown
- Class 162 Predominantly Mauve/Purple/Pink
- Class 163 Any other Single Colour or Combination of Colours

Laeliinae Alliance – Miniature Exhibition Hybrid (< 70mm)

- Class 164 Any Single Colour or Combination of Colours

Laeliinae Alliance – Cluster, Novelty or Non Classic Shaped Hybrid

- Class 165 Any Single Colour or Combination of Colours

Oncidiinae Alliance

- Class166 Miltoniopsis - Any Single Colour or Combination of Colours
- Class167 Gomesa Type - Any Single Colour or Combination of Colours
- Class168 Brassia Type - Any single Colour or Combination of Colours
- Class169 Exhibition Type - Any Single Colour or Combination of Colours
- Class170 Any Other Type – Large Flowered
- Class171 Any Other Type – Intermediate Flowered
- Class172 Any Other Type - Miniature Flowered
- N Class173 Seedling Flowering for the First Time - Species or Hybrid

Lycaste Alliance - Hybrid

- Class 174 Any Single Colour or Combination of Colours

Vandaceous (including Phalaenopsis) - Hybrid

- Class 175 *Phal. amabilis* type
- Class 176 *Phal.* Other than *amabilis* type
- Class 177 Vandaceous other than Phalaenopsis

Zygopetalum Alliance - Hybrid

- Class 178 Any Single Colour or Combination of Colours

Masdevallia - Hybrid

- Class 179 Single Colour or Combination of Colours - Hybrid
- Class 180 Predominantly Patterned (Spotted/Striped/Other Pattern) - Hybrid
- N Class 181 Seedling Flowering for the First Time - Species or Hybrid

Australian Native Orchids

- Class 182 Dendrobium - Predominantly Pink/Red - Hybrid
- Class 183 Dendrobium - Predominantly White – Hybrid
- Class 184 Dendrobium - Predominantly Yellow - Hybrid
- Class 185 Dendrobium – Any Other Single Colour or Combination of Colours - Hybrid
- Class 186 Other Epiphyte - Hybrid
- Class 187 Specimen - Species or Hybrid
- N Class 188 Seedling Flowering for the First Time - Species or Hybrid

- Class 189 Species - Any Genus

Other Classes

- Class 190 Paphiopedilum - Species
- Class 191 Oncidiinae Alliance – Species
- Class 192 Masdevallia – Species
- Class 193 Pleurothallidinae - other than Masdevallia - Species
- Class 194 Species From the Americas - (Not listed above)
- Class 195 Species From Asia - (Not listed above)
- Class 196 Species Other - (Not listed above)

- N Class 197 Any Seedling Flowering for the First Time (Other than those listed above) – Species or Hybrid
- Class 198 Any Other Hybrid – Not listed above
- N Class 199 Group of Three Different Genera - Species and/or Hybrid

Junior Section

(A Junior Grower must be under 18 years of age at the time of judging)

- N Class 200 Cymbidium - Large Flower - Hybrid
 - N Class 201 Cymbidium - Medium Flower - Hybrid
 - N Class 202 Cymbidium - Small Flower - Hybrid
 - N Class 203 Paphiopedilum - Hybrid
 - N Class 204 Laeliinae Alliance - Hybrid
 - N Class 205 Oncidiinae Alliance - Hybrid
 - N Class 206 Australian Native Orchid - Species - Epiphyte or Terrestrial
 - N Class 207 Australian Native Orchid - Hybrid - Epiphyte or Terrestrial
 - N Class 208 Species any Genus - Excluding Australian Native Orchids
 - N Class 209 Any Other Hybrid – Not listed above
- N Juniors may also nominate into Non-Commercial or Commercial classes where an appropriate class is not available in the Junior Sections
